

July 13, 2016

Dear DeVilbiss Spray Gun Users,

DeVilbiss Automotive Refinishing is excited to introduce you to the all new TEKNA® ProLite Special Edition Steampunk Spray Gun.

This special edition spray gun brings the flair of the Steampunk world to the high quality performance and control offered by the standard TEKNA® ProLite. This exclusive design was developed in the UK and makes its way to the US and Canada in our most popular ProLite package.

The Steampunk ProLite kit comes with 1.2, 1.3 & 1.4mm fluid tips, TE10 & TE20 air caps, a disposable cup adapter, HAV-555 digital gauge, spray gun wrench and color ID rings. Each kit also contains a card with a promo code to redeem for a free DeVilbiss Steampunk t-shirt.

The new TEKNA® Special Edition Steampunk guns are now available for order and will be making their way to your local distributor very soon! Quantities are limited- get yours while they last!

Attached you will find a digital product brochure as well as a detailed photo of the gun's unique design.

Should you have any questions, please contact DeVilbiss Customer Support at 1.800.445.3988 or [askus@carlisleleft.com](mailto:askus@carlisleleft.com).

Sincerely,

Your DeVilbiss Team
