

DEKONES
by DeVilbiss

New Lower Pricing!

Clean. Fast. Efficient.

**Perfect for
Solvent or Water**

Eliminate the need for rework by using lint-free, nylon mesh strainers

Perfect for Waterborne
Made of durable materials that won't break down while using waterborne paints

Optimum Filtration
Consistent mesh sizes offer optimum filtration

Reduce Buffing
Single meshed tip eliminates unstrained paint from passing through the tip and contaminating your paint job

Buy them in a case of 1000, or in convenient boxes of 100
